Geometry Design Revised Updated Briefs - FAA Engineering Briefs provide additional information about airport engineering, design, and constructions standards and specifications included in advisory circulars. Dear Twitpic Community - thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state. Preservation Briefs provide guidance on preserving, rehabilitating, and restoring historic buildings. Technical standards and manuals developed by SMACNA members have worldwide acceptance by the construction and code community, as well as local and national government ...
